Named one of the top resorts in Northern California in Condé Nast Traveler's 2023 Readers' Choice Awards, it's a 500-acre playground filled with limitless possibility.

THE LOCATION

Carmel Valley Ranch is located in Carmel-By-The-Sea, California, about two hours by car from San Francisco International Airport, an hour and a half from San Jose International Airport, and 20 minutes from Monterey Regional Airport.

THE DESTINATION

Situated on 500 lush acres adjacent to the 4,400-acre Garland Ranch Regional Park, Carmel Valley Ranch offers a wealth of natural wonders—and is just minutes from the delights of Monterey County and Big Sur, including coastal attractions and the iconic Highway 1.

This impossibly beautiful setting combines the charm of small-town America with an endless variety of recreational and cultural activities. Monterey's rich history, the saga of California's Mission Trail, historic Fisherman's Wharf and Cannery Row, 20 world-class golf courses, the planet's best aquarium, luxury hotels, unique shops and galleries, and a spectacular assortment of parks and natural areas are just around the corner from The Ranch.

CULINARY

VALLEY KITCHEN

Valley Kitchen, our signature restaurant, takes a hand-crafted, homegrown approach to food. Newly revitalized with upgraded interiors and furnishings—and featuring dishes that utilize ingredients from our own gardens and local purveyors—every dining experience encompasses the produce, products, and people of Carmel Valley. It's uncomplicated, unfussy, and delicious, perfectly embodying the values and light-hearted spirit of The Ranch.

THE CLUBHOUSE GRILL

Casual yet refined, this scene comes complete with crackling fire pits, conviviality, and an expansive patio with front-row seats to the rolling fairways of our golf course. You'll be captivated by the view, the game, or better yet, both.

RIVER RANCH CAFÉ

Located at our River Ranch activity complex, River Ranch Café offers laid-back poolside bites that fuel the fun. With plenty of options for kids and adults alike, including smoothies and signature cocktails, it's delicious and quick, so you can get back to the action.

THE MARKET & CREAMERY

These interactive spaces are designed for guests to gather, learn, and taste, with artisan demonstrations, surprise pop-ups, and more. The Market features local delicacies, an espresso bar, wine and beer, even honey from our own beehives—while at the adjacent Creamery, milk from The Ranch's famous goats is transformed into cheese and other delightful creations.

IN-SUITE DINING

You don't have to go out for deliciousness—we'll send it right to your suite.

RANCH ADVENTURES

GOLF

Carmel Valley Ranch features the only Pete Dye-designed bentgrass golf course in Northern California, a par-70 layout playable for all levels.

THE HERD

You can't have a ranch without a herd, and The Ranch is home to farm favorites such as goats, alpacas, and even an apiary with approximately 1 million bees.

EXPERIENCES

The Ranch offers a wealth of adventurous activities for guests of all ages—including off-road excursions, disc golf, culinary events, and much more.

WELLNESS ACTIVITIES

A variety of complimentary fitness activities and wellness-focused pursuits are available for guests, such as yoga, Pilates, and TRX suspension training.

RIVER RANCH

River Ranch is our biggest play space, a dynamic activity hub for all ages with pools, a new children's splash pad, tennis and pickleball courts, our fitness center, fire pits, and much more. We just gave it a massive makeover, too—upgrading the locker rooms, adding loungers, resurfacing courts, and even creating great new programming for kids.

EVENTS

Carmel Valley Ranch's landscape is perfect for meetings and special events—thanks to a variety of flexible spaces including ballrooms, executive boardrooms, and nearly 10,000 square feet of naturally lit indoor facilities.

ACCOMMODATIONS

Carmel Valley Ranch features 179 spacious suites with valley-inspired interiors and furnishings that bring the outdoors in, open floor plans, fireplaces, and more. Averaging around 800 square feet, each suite includes a private deck and plenty of space to kick back after a day of play.

SPA AIYANA

Inspired by our fragrant gardens and the four seasons, Spa Aiyana is rooted in the healing powers of the earth. Featuring twelve deluxe treatment rooms and VIP treatment suites, and a dedicated pool, the spa offers immersive treatments from massage and body work to sleep therapy, along with advanced clinical-grade skincare such as the exclusive HydraFacial™.
