

A NEW ADVENTURE BEGINS!

Play for all ages has long been a hallmark of The Ranch, and we're proud to introduce our new Adventure Den—offering programs and activities for our younger guests designed to encourage imagination, creativity, and learning.

A DAILY DOSE OF ADVENTURE

Every day brings something new, with ever-changing activities and topics to fit our rotating themes for Adventure Tots (ages 2-5) and Adventure Kids (ages 5-12)!

MARINE MONDAYS: Learn about local Monterey marine life, with a jellyfish-making craft, story time about our otters and other aquatic friends, a starfish painting project, and time at the splash pad and pool.

TRAILBLAZER TUESDAYS: Explore and discover the history of our land, with activities such as cowboy-hat decorating and more.

WILDLIFE WEDNESDAYS: Our resident birds and animals that call The Ranch home are the focus, with a feisty raccoon drawing craft, a guided walk to look for local bugs, frogs, and birds, and other natural activities.

TWO-STEP THURSDAYS: More ranch-style fun, including learning how to country two-step, fun with instruments, and more.

FARMER FRIDAYS: Make natural art with a flower-pressing craft and try other activities where we'll get our hands dirty.

SPLASH SATURDAYS: It's all about keeping cool on Saturdays—head to the new Splash Pad, make snow cones or ice cream, and play fun games.

SUSTAINABLE SUNDAYS: What does sustainability mean? The focus will be on how we respect the land and environment, with recycling crafts, bee-related activities, and other green-friendly fun.
